

## **Camara Education Limited Sale of Computers Policy**

### **Purpose:**

This policy governs the sale of computers from Camara Education Limited.

### **Policy:**

- All computers are sold as part of a package including training, support, maintenance and end-of-life.
- Camara does not sell individual computers.
- The Camara package is sold to educational institutes through Camara's distribution network as defined on Camara's website.
- Camara does not sell the package to educational institutes outside of these countries or outside of the geographical area from which the Education Hub serve.
- The sale of the Camara package is only from the Camara Hubs and not from Camara Education Limited.
- Requests should be sent to the CEO of the relevant hub. The CEO will deal directly with the organisation. Contact details can be found here.
